

I am outraged at
Sinclair
Broadcasting's
decision to force
their stations to
air an anti-Kerry
documentary days
before the election.

Sinclair uses the
public airwaves free
of charge, and is
obligated by law to
serve the public
interest. However
they have a long
history of
broadcasting
partisan political
propaganda , and
representing it as
news ,or impartial
reporting.

Sinclair's actions
show why we need to
strengthen media
ownership rules, not
weaken them.
